Tuscarora Area Chamber Office Moves to The Irwin House on the Square in Downtown Mercersburg

The TACC office has relocated to 3 South Main St. Mercersburg. We are located in the Lower Level office, our door is on the left hand side of the building. (Notice the railing off the sidewalk on the left in the photo above.) Please update our mailing address to PO Box 161 Mercersburg, PA 17236.

The Irwin House also has a “Visitor Center” in the first floor lobby, with The Dressing Room connected. There is a brochure rack for Tourism information, maps, etc. and another specifically for Tuscarora Chamber member brochures. This center is a “benefit of membership” brought to you by owners John (a chamber board member) and Ame Flannery.

DO YOU KNOW TACC'S STATED PURPOSE?

The Tuscarora Area Chamber of Commerce is organized to achieve the objectives of:

- 1) Preserving the competitive enterprise system of business by: creating a better understanding and appreciation of the importance of business people and a concern for their problems; educating the business community and representing them in township, borough, county, state and national legislative and political affairs; preventing or addressing controversies which are detrimental to expansion and growth of business and the community if they arise; creating a greater appreciation of the value of a more liberal investment of substance and self on behalf of the interests of competitive business;
- 2) Promoting business and community growth and development by: promoting economic programs designed to strengthen and expand the income potential of all business within the trade area; promoting programs of civic, social and cultural nature which are designed to increase the functional and aesthetic values of the community; and discovering and correcting abuses which prevent the promotion of business expansion and community growth.

With a great local banking relationship, this dairy can serve a new generation.

Left to right:
Lynn Waite, Assistant Vice President, Small Business Relationship Manager, F&M Trust
Jackie Horst, D&C Dairy Farm
Charles Horst, D&C Dairy Farm
Donald Horst, D&C Dairy Farm

In 1991, Nathan Horst (not shown) and his family began operating a successful dairy farm near Chambersburg. As the business grew, it earned recognition as a Dairy of Distinction for exceeding dairy industry standards for quality and cleanliness. In 2010, Nathan's sons **Donald** (right), and **Charles** (center right) as well as Charles' wife **Jackie** (center left) decided to purchase the business from Nathan and operate as **D&C Dairy Farm**.

After talking to several banks about financing, the Horsts chose F&M Trust. The reason was simple: Of all the banks being considered, only **Lynn Waite** (left) and her 100% local F&M Trust team took the time to listen to them and work out an ideal financing solution.

The Horsts couldn't be happier with their decision to work with Lynn and F&M Trust. Today, she continues to provide personal service and financial guidance to help the Horsts as they settle into their role as second-generation owners of the dairy farm.

If you're ready for a wholesome financial relationship with your bank, F&M Trust has all the personal attention and business tools you'll need:

- > **Commercial Loans and Lines of Credit**
- > **Franklin eDeposit** (Remote Deposit Service)
- > **Better Business Checking** and More

For a no-obligation meeting to talk about your needs, call Lynn Waite at (717) **597-2384** or visit your nearest F&M Trust community office.

Which two qualities make an ideal investment and trust team?

Local Access. When it comes to knowing you well and understanding your financial objectives, having face-to-face communication can make a world of difference. That's why our Investment & Trust Services team works right here on Main Street, not Wall Street, and is always ready to meet with you in person.

Strong Experience. True peace of mind comes only from working with knowledgeable people you trust. With more than \$600 million in total assets under management, the experts at F&M Trust have the reliable experience to help maximize asset performance while minimizing risk—not just at the first handshake, but at every step along the way.
