How to Purchase a Steer

Animal Purchase WITH Possession:

Most buyers prefer to pay the full price at the time of the auction and take possession of the steer. The Youth Beef Club will take care of the steer/companion on Sunday and will also deliver it, free of charge, to any local butcher shop on the Monday after the auction.

Animal Purchase WITHOUT Possession:

Each steer/companion sold at the Franklin Co. Youth Beef Club auction has a predetermined market value promised by a packer. The buyer pays only the difference between the market value and the final bid; but receives recognition for purchasing the youth steer/companion.

Example: The market value of a certain Youth Steer is \$742.50. The final bid is \$1296.00. The buyer pays only \$553.50; the packer pays \$742.50 and gets the youth steer.

Pre-Auction bids are always accepted. Buyers need not be present at the auction to participate in the sale. A steer will be purchased as determined according to the buyer's specifications. These arrangements may be made by contacting one of the informational contacts.
